Subject: FOIA Denial Letter

Hi Leticia,

Attached is a Response Denial Letter for FOIA EPA-R6-2016-010242, that needs a signature from James McDonald. All of the records that we are withholding are due to the deliberative process privilege. As we are not withholding any documents due to confidentiality or trade secrets, I have removed that paragraph from the denial letter. I wanted to confirm with you that that was the correct thing to do. In addition, the denial log is also attached. Please let me know if you need anything else.

Thank you for your help,
Karen Kesler
